

## **VLBS**

Loading Ring for Welding

## Product features / VLBS Load ring

- / Full WLL in any direction with 4:1 design factor
- / 100% electro-magnetic crack detection tested
- / Manufactured using high tensile CrNiMo steel
- Rated capacity can be increased 100% in specific lashing applications

- Available with or without internal position holding springs
- Test certificates available Painted in the unique durable RUD pink powder
- / coat finish

/
